

1. Meeting with Defense Communications Agency Personnel:

STAT [] Chief, Statistical Reporting Branch and [] STAT
STAT [] OJCS, met with Lt. Col. Howe and Messrs [] and Taubenberger of STAT
the Defense Communications Agency. The meeting was at Headquarters and
STAT was held at the request of [] a former Agency employee. The
three DCA employees are assigned to the Plans and Analysis Staff of Personnel
and are interested in how the CIA T/O's are formed; that is, how we merge
people and positions together onto a T/O. Also, they are collecting data
concerning computer systems as they are planning to establish a new
Personnel ADP system of their own.

2. DDO Organizational Change: The staffing complement changes to
establish new DDO staff organizations will be completed and sent out next
week for effective date of 22 July. Problems have been resolved so that no
positions are deleted except where superseded by new positions. ISD,
CI/OPS, and CCS have been incorporated in the new organization with minor
change.
